

# Our South America

by Paul & Janita O'Neill

# Our South America 2015-2018

Between 2015 and 2018, we journeyed to South America three times, visiting Peru, Bolivia, Chile, Argentina and Uruguay. Travelling mostly by bus, we traversed the continent from the spectacular Iguazu Falls on the border of Argentina and Brazil, through the great cities of Lima, La Paz, Santiago, Buenos Aires and Montevideo, to the rugged south lands of Chilean Patagonia. Along the way we discovered ancient cultures, met interesting fellow travellers and locals, encountered and overcame some of the most challenging circumstances we have confronted on our many travels and, of course, took thousands of photographs.
